We aim to do this by ensuring that we report our tax affairs in ways that reflect the economic reality of the transactions we undertake in the course of our trade.

We will not seek to use those options made available in tax law, or the allowances and reliefs that it provides, in ways that are contrary to the spirit of the law. We believe tax havens undermine the UK?s tax system and the wellbeing of people around the world. As a result, whilst we may trade with customers and suppliers genuinely located in places considered to be tax havens we will not make use of those places to secure a tax advantage, and nor will we take advantage of the secrecy that many such jurisdictions provide for transactions recorded within them.
